- Elections, Wednesday
- “Ominous” “dread” “heavy”

This seems to be what’s happened

1. **Administration failed** on it’s promises so voters (foolishly) left it Shot ourselves in the foot. Not realizing what’s really at stake.
2. **Congress failed to secure elections**, now they’ll never be
3. **Left cheated** unabated again. I can show you voting statistics, registrations, comparisons.

America, as we knew her, is over

We will never have another administration that goes right. Only less left.

Open borders, punishing LE, tribunals (arresting Musk, “nationalizing” SpaceX), killing conservatives. I can show you receipts if you think I’m being hyperbolic.

It won’t look exactly like USSR, others, more nefarious

Two sides:

- Jesus is on the throne! No big deal!
- Celebrating abortion. kill conservatives,capitalists

“A republic, if you can keep it” ben Franklin, 1787

“Because We have no Government armed with Power capable of contending with human Passions unbridled by morality and Religion. Avarice, Ambition, Revenge or Gallantry, would break the strongest Cords of our Constitution as a Whale goes through a Net. Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other.” - John Adams, 1798

The real problem?

The church is asleep, or drunk with the world

She has checked out. Not voted. Not cared. Or worse, voted and acted against God.

80m Christians DIDN’T
98% of Muslims, DID

Our nation took God’s blessings as entitlements. Kicked Him out.

Any student of history knows what’s next
Anyone who’s paid attention to the rest of the world in the past 150 years

Or has read their Bible

- **Spiritually, we are safe and secure in Jesus**
- **But physically, we will have our own tribulation**

Ask any Christian in the death camps, gulags, ostricized, enslaved, murdered

Read Jdg 10:10-16

If we want our freedom back. Our country back. We must, as a church, repent, and repent hard. Then do the hard things. It might require secession. It might require resisting. It might require sacrifice.

Maybe, God will relent.
This is his judgment on our nation.
Maybe, it’s too late for America.
Pray for the best, plan for the worst.
If we go through, He will be with us.
